

S. Isabelle

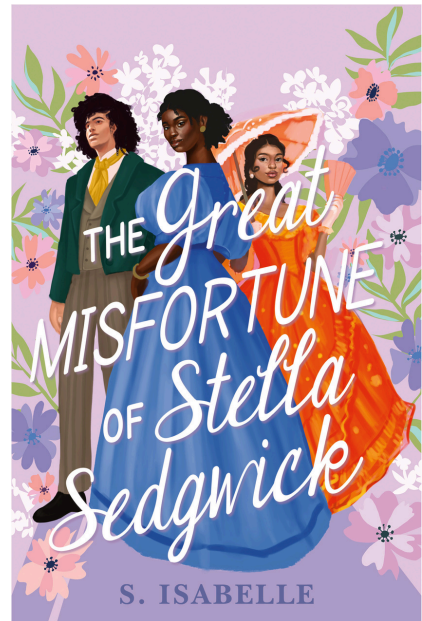

S. Isabelle is a reader, writer, and hoarder of books. After earning a Master’s degree in library science, she took that love of reading to youth librarianship. She is the author of *The Witchery* and its forthcoming sequel *Shadow Coven*. When she isn’t writing, you can find her binge-watching TV shows, drinking heavily-sweetened coffee, or stressing over baseball.

OPEN TO: Young Adult and Middle Grade contemporary, fantasy, horror, thriller, romance, and graphic novels
